ISLANDS OF THE SEYCHELLES

MAHÉ

The largest island in the Seychelles and home to its international airport, Mahé also boasts the world's smallest capital town, Victoria, filled with colonial mansions. The island is known for its pristine white sand beaches and lush, mountainous vegetation. There are more than 70 beautiful beaches, but the best of the best include Anse Major, Anse Jasmin, Petit Anse and Anse Du Riz. Visit the bustling market in Victoria and the island's Botanical Gardens to see giant tortoises, Coco de Mer trees and exquisite orchids.

DENIS ISLAND

Remote and romantic, this tiny little island (just 375 acres in size) is ideal for honeymooners with its glimmering white sand beaches, thrilling deep sea fishing expeditions and excellent nature walks. Located 60km from Mahé, this is the northernmost island in the archipelago, a living, breathing island community where going back to nature is the order of the day. Snorkel in the island's turtle sanctuary and spot some of the rarest birds in the world in this off-the-grid little paradise. This is the perfect spot to unwind and rediscover nature in all its beauty.

PRASLIN

The second largest island in the Seychelles, about an hour by boat from Mahé, Praslin is also home to the legendary Vallee de Mai, a UNESCO World Heritage Site. It's one of the only 2 places in the world, along with the Seychelles island of Curieuse, where one can see Coco de Mer trees growing in their natural habitat, and view their enormous fruit, shaped like a woman's lower torso. Here visitors can hike one of 3 prehistoric forest trails to see some rare birds such as the black parrot. Praslin also boasts some of the world's best beaches including Anse Lazio beach, favoured by none other than Italian designer Giorgio Armani. Legend has it that Praslin was the original Garden of Eden.

LA DIGUE

On this tiny island, the oxcart and bicycle reign supreme. La Digue features a languid pace of life (there are no roads or vehicles here), charming traditional architecture and breathtaking beaches, particularly Anse Source d'Argent. Take a short oxcart trip to the Rene Payet Veuve Reserve, the only place in the world that is home to the endangered Seychelles Paradise Flycatcher. You can also visit L'Union Estate, home to giant tortoises, one of the last working copra mills and a cemetery where the island's original settlers are buried.

GET READY TO EXPLORE

MAHÉ DISCOVERY TOUR

On this full-day excursion, you explore Mahé's capital, Victoria, visiting places of interest such as the Victoria Clock Tower and the bustling market. Take a leisurely drive over the San Souci mountain pass, past lush forest and tea plantations, to historic Mission Lodge and stop to take photos of the breathtaking coastline below. Enjoy lunch in a traditional Creole restaurant and visit an historic herb and spice garden to learn all about the Seychelles' unique flora and fauna. Finally, visit a local craft village for an insight into Creole culture and architecture with time to purchase some traditional souvenirs.

REEF SAFARI TOUR (FROM MAHÉ)

Explore the spectacular St Anne National Marine Park on an exciting full day tour. You set sail to the Marine Park, then hop onto a semi-submersible vessel and dip below the waves to view a magical underwater world in the park's colourful coral gardens. Enjoy snorkelling to really discover the underwater world, followed by a barbecue lunch and musical entertainment before heading to Moyenne Island to see the resident giant tortoises, visit old ruins and pirates' graves and relax on the beach.

FULL DAY PRASLIN AND LA DIGUE TOUR

An 11-hour tour to see the highlights of both islands in one day! On Praslin, an hour's journey by boat from Mahé, you visit the UNESCO-listed Vallee de Mai to view the giant Coco de Mer fruit, and take a walk through a prehistoric forest to listen to the trill of the rare Black Parrot. Praslin is also home to famous Anse Lazio beach, which you also explore. Then it's time for the 30-minute boat crossing to La Digue Island, where life takes a slower pace. Timeless and unique, La Digue offers the comforts of the 21st century with the tranquillity of yesteryear. Visit L'Union Estate to see the copra sheds, giant tortoises and recently refurbished Colonial Plantation House, where the movie Goodbye Emmanuelle was filmed. Then travel in an open-sided truck with canopy called a 'camion' to Anse Source d'Argent, renowned as one of the most spectacular beaches in the world with its legendary granite rock formations.
