Aquamarine & Perla deck plans

Small scattered pieces of paradise, floating on crystal blue waters, wrapped in the warm embrace of the sun - welcome to the splendour of the Greek Islands. Of the over 1000 islands in the archipelago only 227 are inhabited and beckon with promises of picturesque whitewashed villages, graceful windmills and sun-kissed beaches. The best way to explore these gems of the Aegean is undoubtedly by sea and Thompsons Holidays together with Louis Cruises have just the ticket.

The World of Louis Cruise Lines

Welcome to the World of Louis Cruise Lines. You are invited on a quest of discovery for the natural and cultural riches of the Mediterranean.

Louis Cruise ships have sailed the oceans of the world and pioneered innovative itineraries for over twenty years. Their Greek and European officers and European and International crew, with their gracious hospitality and nautical tradition will offer you an unforgettable experience.

On board the Aquamarine, Perla and Cristal, three unique cruise ships celebrated for their classic style and intimate atmosphere, you are invited to discover the beauty of the Greek Islands.

The 3 & 4 night cruises present different visual and cultural experiences. They will transport you from the white-washed and windmill strewn harbour of cosmopolitan Mykonos, to the treasures of medieval Rhodes; the wonders of ancient Ephessos (Kusadasi); the Holy Island of Patmos where St John the Divine transcribed the book of Revelations; the port of Heraklion in Crete, gateway to the Minoan city of Knossos; and the fascinating island of Santorini, witnesses to the most spectacular sunsets in the world.

The 7 night cruise will include an overnight stop in Istanbul, Turkey, the only city in the world straddling two continents - Europe and Asia. Istanbul's dazzling amalgam of churches, mosques, palaces, bazaars and cabarets, add a once in a lifetime experience to the itinerary.

On board these classic cruise ships you will be pampered by the crew, who are experts in the art of hospitality and exceptional service and will offer you an unforgettable experience. You will be tempted by the wide variety of on board facilities, shipboard entertainment options and activities organised by the cruise staff. Your days and nights onboard the ship can be as active, or as quiet and laid-back as you please - the choice is yours. A complete schedule of the next day's events is listed in the daily program, delivered every evening to your cabin.

While the night is still young, you can enjoy the company of newfound friends in the intimate lounges and bars, attend a variety show in the theatre, try your luck in the casino, dance in the disco until the early hours or enjoy a romantic stroll on deck under the star-studded sky as you sail towards your next destination.

Louis Cruise Lines delivers international charms and sophisticated ambience, combined with a comfortable relaxed atmosphere.

EXCLUSIVE: Cruise with Thompsons Holidays and you will enjoy the added benefit of having our Cruise Director on hand to advise and assist you for the duration of your cruise.

On the cover: Cristal cruising the waters of the Aegean Sea

Ports of Call

Mykonos

Mykonos, Greece

Mykonos combines the cosmopolitan and sophisticated lifestyle with the simple yet charming life of this Cycladic Island. Take a stroll through the maze of narrow streets, marvel at the hundreds of tiny chapels and whitewashed houses with their flower-filled balconies. Take a walk up to the famous windmills or just relax on the waterfront, enjoy the sunset, accompanied by a refreshing drink or traditional ouzo!

Patmos, Greece

Very often, Patmos is called the Jerusalem of the Aegean Sea. It is the sacred island where St John the Divine, whilst in exile, wrote the book of Revelations, which constitutes the last part of the New Testament. Built 900 years ago, the Monastery of St John is an impressive structure with outstanding interior frescoes. The Museums inside also exhibits priceless ecclesiastical treasures. Visit the Grotto where St John lived and actually wrote the book of Revelations.

Kusadasi

Kusadasi, Turkey

A picturesque town on the coast with many opportunities for flea market shopping! Nearby, lies the ancient city of Ephessos, founded by the Athenians. A tour to Ephessos will allow you to discover a treasure of Greek, Hellenistic and Roman monuments which witness the past power and prosperity of this city. View the Forum, Odeon, Library of Celsus, the Thermal baths of Scolastika and the magnificent Greek Amphitheatre, which is still eminent for its remarkable acoustics

Rhodes

Rhodes, Greece

A mix of modern and medieval, Rhodes fascinates and impresses each visitor. Not to be missed is Lindos, the most important of the three great cities of ancient times. Climb to the top of the ancient Acropolis of Lindos with its breathtaking views covering the great expanse of the Aegean Sea and St Paul's Bay below. Wander through the medieval city of Rhodes, view the Palace of the Knights and walk down the famous Chevaliers Road. History is present in each step you take.

Heraklion

Heraklion (Crete), Greece

Heraklion is the most important town and commercial port of Crete. The well-known archaeological site of Knossos is situated only three miles away from the town's city center and is believed to be the largest and most suggestive Minoan site ever discovered in Crete. The Palace of Knossos was not only the residence of the ruling house but also an administrative and religious center for the whole region. The archaeological museum of Heraklion, exhibits a fine display of Minoan culture discovered during the excavations of Knossos

Santorini

Santorini, Greece

Santorini is a unique island, considered to be the

lost continent of Atlantis. Marvel at the white-washed village of Fira, capital of the island with its narrow and picturesque streets, perched on the Caldera rim. Enjoy the most beautiful sunsets in the world, whilst relaxing over a coffee and gazing out to sea. Visiting Oia is also a must, an inspiration with artists, numerous art galleries and spectacular views. Access to Fira is an amazing cable car ride or for the more daring, by donkey.

Istanbul

Istanbul

Straddling the Bosphorus, its skyline studded with domes and minarets, Istanbul is one of the truly great romantic cities. Its history tracks back from Byzantine to Constantinople to its place at the head of the Ottoman Empire. Today it hums as Turkey's cultural heart and good-time capital. In this sprawling, continent-spanning city you can tramp the streets where crusaders and janissaries once marched; admire mosques that are the most sublime architectural expressions of Islamic piety; peer into the sultan's harem; and hunt for bargains

Alexandria

Alexandria, Egypt

The second largest city in Egypt, Alexandria is known as "The Pearl of the Mediterranean". In ancient times Alexandria was famous for the Lighthouse of Alexandria - one of the Seven Wonders of the Ancient World. Don't miss the 25 meter high granite column of Pompey's Pillar and the Bibliotheca Alexandria, the modern version of the ancient Library of Alexandria, now housing more than 8 million books.

- Cheques and debit cards are not accepted on board. Credit cards are best and must be registered with reception on embarkation.
- Look out for the "All Inclusive Drinks Packages" which you can purchase on board - it can result in substantial savings!
- Use your cell phone while in port as it's cheaper than when at sea.
- To get the most out of your trip consider the shore excursions recommended by your Cruise Director.
